BUSINESS LOAN SOLUTIONS

We offer a variety of solutions suitable for all types of businesses in South Louisiana. Contact a Business Banker today for more information on the following services.

- **Accounts Receivable Financing:** Allows you to save time by focusing on business growth, not customer invoice payments, and dramatically shortens the cash flow cycle.
- **Attorney/Client Loans:** Improves cash flow by allowing client expenses to be paid as incurred through line of credit advances.
- **Commercial Loans & Leases:** Flexible Terms and affordable rates to finance any business need.
- **Commercial and Residential Construction:** Whether you are purchasing or building, United Community Bank offers competitive rates and terms to help fund your project.
- **Lines of Credit:** Provides cash for short-term needs, seasonal inventory or small equipment purchases.
- **Credit Cards:** Business credit cards are a great way to help track expenses for your business. We offer a variety of Credit Card Options for Small and Large Businesses.

Schedule of Services

MERCHANT DEPOSIT SERVICES

Spend more time running your business and less time running to the bank with Merchant Deposit Services. This product allows you to deposit checks from your office using a desktop scanner and bank provided software. See a Retail Representative for qualifications and Software/Hardware requirements.

Bank approved Scanner required to utilize this service.

ACH SERVICES

We offer businesses the ability to make payments and collect funds electronically through the National ACH Network.

Typical ACH Services include:

- Direct Deposit of Payroll
- Monthly Payments or Monthly Payment Collections
- Federal and State Tax Payments

Ask a Retail Representative for qualification details.

MERCHANT SERVICE SOLUTIONS

Get the custom payment solutions and support services you need to manage, grow and protect your business. Accept cash, checks, debit and credit cards, online payments and contactless payments like Applepay®, Android Pay® and other mobile wallet apps. Plus, sync apps across all of your Clover devices in real time with customers solutions from the Clover App Market
